Kees:

In accordance with our previous correspondence to you dated February 6, 2009 and April 1, 2009, we have now passed the deadline date for paying the maintenance fee to the United States Patent and Trademark Office without additional government surcharge fees. The fee can still be paid up until September 7 2009. After September 7 2009 and up until March 7 2010, the fee can be paid to the Patent Office with the payment of a surcharge fee, in addition to the current maintenance fee. After March 7 2010 your patent will be abandoned and all rights thereto will be terminated.

Attached is a copy of our Request to Withdraw regarding this patent. When the Request is approved by the Patent Office, we no longer will be responsible for receiving notices regarding the patent.

Sincerely,

Richard L. Fix

Please be advised that failure to pay this maintenance fee to the Patent Office will result in abandonment of your patent.

Kees:

The Patent Office requires the payment of maintenance fees for all issued utility patents. The fees become due 3½, 7½, and 11½ years after the date of issuance. If the fees are not timely paid, the patent lapses and all of your rights are lost.

Your first maintenance fee is now due in the amount of \$490 (United States Patent and Trademark Office fee.). Our charges for the docketing, maintenance and preparation of all required forms is \$500. This \$500 includes our keeping a current docket on the due dates for your upcoming maintenance fees, reminding you of the due date for payment of same, and follow up letters.

Please forward your payment to us by March 7, 2009 in the amount of \$990. Upon our receipt of same we will proceed with paying the fee to the United States Patent and Trademark Office.

You may receive a letter from a NON-GOVERNMENT entity attempting to mislead you into believing they are an agency of the United States Government, i.e., United States Patent and Trademark Office, and offering their services to you regarding payment of the current maintenance fee due on your patent. We would encourage you to ignore their letter and their request for money. If you have questions regarding receipt of this non-government letter, please call me at once to discuss it further.

We also take this opportunity to remind you to promptly let us know if your status changes from "small" to "large" entity so that we may prepare the necessary forms for filing in the U.S. Patent and Trademark Office, as required. If you have licensed this Patent to a company having more than 500 employees - including all affiliates, we must have this information before payment of your current maintenance fee.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Richard L. Fix
